Dr. G. D. Giri - Principal, welcomed all the members of the Committee and briefed the members about the origin, objectives, and role of the Committee. It has been decided to educate the students about the dehumanizing effects of ragging that are inherent in its perversity, to keep a constant eye on things to stop it from happening and happening again, to deal with instances of ragging that come to our attention swiftly and severely, and to foster an atmosphere of discipline by making it abundantly clear that no act of ragging will be tolerated and that any act of ragging will not go unnoticed and unpunished. Since there were no further complaints reported by the students/staff, the members had a general discussion on how to go about with future plans. At the close of the meeting, Dr. Mukul Bhatt expressed her gratitude to all members for their support and cooperations and the meeting ended with a formal vote of thanks.
