- **Usefulness :** The program was conducted to educate the participants on how to better manage stress.
- **Expected Outcome :** The expected outcome of the program was to enable the participants in identifying and acknowledging the stressors and manage it.
- **Expected to increase :** The program aimed at spreading awareness that stress can be managed in various ways , one of which is expressive arts.

BRIEF INTRODUCTION

Thakur Ramnarayan College of Arts and Commerce had organized an Expressive Art Therapy Workshop on "Stress Management" on 18th February 2022 from 01:00 p.m. to 03:00 p.m. It was attended by the students of Psychology in Degree College along with the participants from other streams . The program aimed at spreading awareness that stress can be managed in various ways, one of which is expressive arts.

The resource person for the workshop was Ms. Eshwari Bhoga, a Mental Health Counselor. The facilitator briefed the participants with various ways to cope with stress. Use of art expression on paper was beneficial in keeping the participants engaged with the topic. Throughout the program, the participants realized the available strategies to respond to the stressors in their daily lives. The session was interactive as the participants interacted with the resource person and other participants as well and towards the end it ended with questions and answers and discussions on how expressive arts help manage stress. Participants asked a variety of questions to the resource person which were satisfactorily answered.

OBJECTIVES OF ACTIVITY : The main objectives behind the program held was to

- To spread awareness regarding stress management.
- To understand the expressive arts.
- To train the participants to acknowledge the stress and manage it on a regular basis.
- To cope with stress in a creative manner.

"Safer Internet Day"

By Ms. Apurva Ghadshi

Date: 10th February, 2022

Time: 2:00 p.m. to 4:00 p.m.

BACKGROUND

- **Reason/Objective:** The objective was to create awareness amongst all the participants regarding cyber security.
- **Conducted under:** The program was conducted by the CEEP.
- **Usefulness:** The program was conducted to educate the participants on how to use the internet safely.
- **Expected Outcome:** The expected outcome of the program was to enable the participants in identifying and understanding the internet threats and safely use it with security.
- **Expected to increase:** The program aimed at spreading awareness about internet and cyber security and how to use them in the safest way.

BRIEF INTRODUCTION

Thakur Ramnarayan College of Arts and Commerce had organized a Webinar on Cyber Security on the occasion of "Safer Internet Day" on 10th February 2022 from 02:00 p.m. to 04:00 p.m. It was attended by all the students of Degree College along with the participants from Junior College. The program aimed at spreading awareness about the internet threats and cyber-attacks and how to be safe from such attacks.

The resource person for the workshop was Mr. Kartik Rajesh, a Cyber Security Engineer. The facilitator briefed the participants on various types of security breaches and threats and also helped us with possible ways to stay away from such attacks. The different types of cyber security attacks are Phishing attacks, Trojan Horse, Malware attacks etc. Throughout the program, the participants also learned the possible ways and solutions to stop these attacks. The resource person also performed some activities where an infected URL was provided and explained about not opening and entering the personal credentials. The session was interactive as the participants interacted with the resource person and the webinar ended with questions and answers and discussions on how to be a responsible netizen. Participants asked a variety of questions to the resource person which were satisfactorily answered.

OBJECTIVES OF ACTIVITY:

- To spread awareness about cyber security.
- To understand the concept of cyber-attacks.
- To train the participants on how to be safe by such attacks.
- To be a responsible user of the internet.
