Activity Report

"Safer Internet Day"

By Ms. Apurva Ghadshi

Date: 10th February, 2022

Time: 2:00 p.m. to 4:00 p.m.

BACKGROUND

- **Reason/Objective:** The objective was to create awareness amongst all the participants regarding cyber security.
- **Conducted under:** The program was conducted by the CEEP.
- **Usefulness:** The program was conducted to educate the participants on how to use the internet safely.
- **Expected Outcome:** The expected outcome of the program was to enable the participants in identifying and understanding the internet threats and safely use it with security.
- **Expected to increase:** The program aimed at spreading awareness about internet and cyber security and how to use them in the safest way.

BRIEF INTRODUCTION

Thakur Ramnarayan College of Arts and Commerce had organized a Webinar on Cyber Security on the occasion of "Safer Internet Day" on 10th February 2022 from 02:00 p.m. to 04:00 p.m. It was attended by all the students of Degree College along with the participants from Junior College. The program aimed at spreading awareness about the internet threats and cyber-attacks and how to be safe from such attacks.

The resource person for the workshop was Mr. Kartik Rajesh, a Cyber Security Engineer. The facilitator briefed the participants on various types of security breaches and threats and also helped us with possible ways to stay away from such attacks. The different types of cyber security attacks are Phishing attacks, Trojan Horse, Malware attacks etc. Throughout the program, the participants also learned the possible ways and solutions to stop these attacks. The resource person also performed some activities where an infected URL was provided and explained about not opening and entering the personal credentials. The session was interactive as the participants interacted with the resource person and the webinar ended with questions and answers and discussions on how to be a responsible netizen. Participants asked a variety of questions to the resource person which were satisfactorily answered.

OBJECTIVES OF ACTIVITY:

- To spread awareness about cyber security.
- To understand the concept of cyber-attacks.
- To train the participants on how to be safe by such attacks.
- To be a responsible user of the internet.
